Terms and Conditions with Declaration by the Student

"By applying for admission to the Independent Skill Development Mission (ISDM), students agree to attend classes daily, with a minimum of 75% attendance required to appear in exams. All examinations will be conducted online, while practical sessions will take place at the training institute. ISDM facilitates job opportunities through its job portal, employer, and corporate connections; however, we do not provide any employment guarantee. Students with a minimum of 80% class attendance will be eligible for placement assistance. ISDM does not demand any original documents for admission. Students can apply online at <https://isdmgrouop.in>. For any financial concerns, ISDM's head office is not responsible, and students must directly contact their respective training centers. ISDM does not claim any affiliation with UGC, universities, or educational boards; it is a government-registered and fully autonomous organization. Admission will be terminated if a student fails to maintain discipline, misbehaves with co-trainees, staff, or teachers, or does not adhere to center guidelines. A re-examination fee of ₹500 must be paid for reappearing in exams, and an additional ₹500 will be charged if a student requests a copy of their answer sheet."
